

# BUILDING DEPARTMENT ACCREDITATION

## SETTING A NEW STANDARD FOR BUILDING DEPARTMENTS NATIONWIDE

**Join Us For An IAS Webinar** on the accreditation program that's sweeping the nation and elevating recognition of the vital role of building safety departments.

**Wednesday, May 14, 2008  
2 pm–3 pm Eastern Time**

Take advantage of this convenient opportunity to learn all about building department accreditation right from your office!

This interactive online seminar will provide an overview of the IAS Building Safety Department Accreditation process and program experts to answer your questions.

- Why is Building Department Accreditation a valuable investment?
- How do you know if your jurisdiction is eligible for accreditation?
- How much does accreditation cost?
- How long does the process take?
- What does a jurisdiction need to do to become accredited?
- How do you get started?

...And more!
