This is to signify that

PAXTON & VIERLING STEEL CO.
501 AVENUE H
CARTER LAKE, IOWA 51510

Fabricator Inspection Program FA-375

has demonstrated that its in-plant inspection program for structural steel fabrication is in compliance with the International Accreditation Service, Inc., Accreditation Criteria for Fabricator Inspection Programs for Structural Steel (AC172) and is recognized under Section 1704.2.5.2 of the 2012 International Building Code®, and Section 1704.2.2 of earlier code editions, commencing June 24, 2013.

Accreditation covers inspections conducted in accordance with the fabricator's approved quality control manual and the requirements of AC172. Periodic plant inspections are conducted by Benchmark Holdings L.L.C. (AA-660), at 501 Avenue H, Carter Lake, Iowa to monitor fabrication inspection processes for structural steel welding. Accreditation is limited to inspections related to the fabrication processes and procedures only. Accreditation does not cover the product, the specific design or the performance characteristics of fabricated products.
