APPLICATION FEES

<i>New Applications</i>	\$2550
<i>Renewal fee (1-year period)</i>	\$1840
<i>Renewal fee (2-year period)</i>	\$3230
<i>Renewal fee (3-year period)</i>	\$4690

Here's how our fees work:

IAS has application fees and assessment fees.

- The application fees are listed above. The initial fee covers one year of accreditation. After that period, you can decide to renew for 1, 2, or 3 years.
- Assessment fees apply for the initial assessment (before granting accreditation), follow-up assessment, if deemed necessary by IAS, and re-assessments (starting every year after the initial assessment). Assessment fees include \$900 per 8-hour day per assessor for on-site assessments, \$700 per 8-hour day per assessor for travel time, and other related travel expenses (at cost). Assessment fees are based on your agency's location and scope of accreditation.
- The new application fee includes one field of special inspection. IAS offers discounted fees for clients wanting to add additional branches and/or fields to their scope of accreditation.
- In cases where more than eight (8) hours of staff time are needed to close out findings arising from assessments, or where more than four hours of staff time are needed to revise current scopes, additional per hour fees will be charged.
- Administrative revisions to an accreditation certificate, such as a change in the company name or the location, will be charged a fee.
- Please contact IAS at 562-364-8201 for a fee estimate.

All fees listed in this schedule apply to special inspection applicants located in North America (U.S.A., Canada and Mexico). For a breakdown of fees for agencies located outside of North America, please contact us at 562-364-8201.
