

International Accreditation Service

CERTIFICATE OF ACCREDITATION

This is to signify that

NCI BUILDING SYSTEMS, INC.-ATWATER PLANT

550 INDUSTRY WAY
ATWATER, CALIFORNIA 95301

Inspection Program for the Manufacture of Metal Building Systems MB-125
(Operating within the corporate umbrella of NCI Building Systems, Inc. MB-110)

has demonstrated that its in-plant inspection program for Part A-Fabrication of Structural Weldments and Cold-formed Products Requiring Welding, Part B-Fabrication of Cold-formed Products Not Requiring Welding, and Part C-Design of Metal Building Systems is in compliance with the International Accreditation Service, Inc., Accreditation Criteria for Inspection Programs for Manufacturers of Metal Building Systems (AC472) and is recognized under Section 1704.2.2 of the 2000, 2003, 2006 or 2009 *International Building Code*®, commencing October 7, 2011; expiring October 6, 2012.

Fabrication inspection procedures covered by this certificate are conducted in accordance with the fabricator's approved quality control manual. Periodic plant inspections are conducted by H.W. Lochner, Inc. (AA-586), at 550 Industry Way, Atwater, California, to monitor the fabricator's quality management system verifying continual compliance with the requirements as listed in the above scope of accreditation. Accreditation is limited to the specified inspections related to the fabrication processes and procedures only. Accreditation does not cover the product, or the design or performance characteristics of the fabricated product.
