

International Accreditation Service

CERTIFICATE OF ACCREDITATION

This is to signify that

BLUESCOPE BUILDINGS NORTH AMERICA, INC.

2250 LOWER LAKE ROAD
SAINT JOSEPH, MISSOURI 64504

Inspection Program for the Manufacture of Metal Building Systems MB-156
Operating within the corporate umbrella of BlueScope Buildings North America, Inc.

has demonstrated that its in-plant inspection program for Part A-Fabrication of Structural Weldments and Cold-formed Products Requiring Welding, and Part B-Fabrication of Cold-formed Products Not Requiring Welding is in compliance with the International Accreditation Service, Inc., Accreditation Criteria for Inspection Programs for Manufacturers of Metal Building Systems (AC472) and is recognized under Section 1704.2.2 of the 2000, 2003, 2006 or 2009 *International Building Code*®, commencing March 29, 2011; expiring March 28, 2012.

Fabrication inspection procedures covered by this certificate are conducted in accordance with the fabricator's approved quality control manual. Periodic plant inspections are conducted by Professional Service Industries, Inc. (AA-660), at PO Box 908, 2250 Lower Lake Road, Saint Joseph, Missouri, to monitor the fabricator's quality management system verifying continual compliance with the requirements as listed in the above scope of accreditation. Accreditation is limited to the specified inspections related to the fabrication processes and procedures only. Accreditation does not cover the product, or the design or performance characteristics of the fabricated product.
