ACCREDITATION CRITERIA FOR TRAINING AGENCIES FOR WORKFORCE QUALIFICATION PROGRAMS

AC371

April 2017
(Effective June 1, 2017)

PREFACE

The attached accreditation criteria have been issued to provide all interested parties with guidelines on implementing performance features of the applicable standards referenced herein. The criteria were developed and adopted following public hearings conducted by the International Accreditation Service, Inc. (IAS), Accreditation Committee and are effective on the date shown above. All accreditations issued or reissued on or after the effective date must comply with these criteria. If the criteria are an updated version from a previous edition, solid vertical lines (|) in the outer margin within the criteria indicate a technical change or addition from the previous edition. Deletion indicators (→) are provided in the outer margins where a paragraph or item has been deleted if the deletion resulted from a technical change. These criteria may be further revised as the need dictates.

IAS may consider alternate criteria provided the proponent submits substantiating data demonstrating that the alternate criteria are at least equivalent to the attached criteria and otherwise meet applicable accreditation requirements.

ACCREDITATION CRITERIA FOR TRAINING AGENCIES
FOR WORKFORCE QUALIFICATION PROGRAMS

1. INTRODUCTION
   1.1. Scope: These criteria set forth the requirements for obtaining and maintaining International Accreditation Service, Inc. (IAS), accreditation of nondegree-granting training agencies for workforce qualification programs. These criteria supplement the IAS Rules of Procedure for Accreditation of Training Agencies for Workforce Qualification Programs.

   1.2. Normative and Reference Documents: Publications listed below refer to current editions.
      1.2.1. IAS AC372: Accreditation Criteria for Curriculum Development for Workforce Qualification Programs.
      1.2.3. ISO Standard 9001: Quality management systems – Requirements.
      1.2.4. ASTM E2659: Standard Practice for Certificate Programs.
      1.2.5. APA/AERA/NCME Standards for Educational and Psychological Testing.

2. DEFINITIONS
   Applicable definitions found in ISO 9000 and ASTM E2659 apply.

3. ELIGIBILITY
   Accreditation services are available to training agencies for workforce qualification programs that meet all of the following requirements:

   3.1. Program development is completed, and has been administered to at least one (1) class of students, with certificates issued for students who successfully completed the class;
   3.2. Completion of at least one (1) internal audit, and one (1) management review.

4. REQUIRED BASIC INFORMATION
   Training agencies must demonstrate compliance with each of the following requirements:

   4.1. Either IAS AC371 or ASTM E2659;
   4.2. IAS Rules of Procedure for Training Agencies for Workforce Qualification Programs.

5. ADDITIONAL INFORMATION (AS APPLICABLE)
Training agencies shall maintain documents and records demonstrating compliance with each of the following requirements, and shall make these available to IAS at scheduled assessments:

5.1. **Administration**

5.1.1. **Corporate**: The agency shall be a legal entity. Records shall include an organizational chart, vision or mission statement, quality policy and objectives, and descriptive information on the corporate structure.

5.1.2. **Facilities**: The agency shall have adequate facilities to fully support the activities being accredited. Records shall include a description of the physical plant and infrastructure.

5.1.3. **Financial**: The agency shall have the financial resources necessary to administer training programs in accordance with the requirements of these criteria, and to cover associated liabilities and commitments. Records shall include a statement of compliance.

5.1.4. **Staffing**: The agency shall have sufficient qualified personnel to administer training programs in accordance with the requirements of these criteria.

5.1.4.1. **Quality Management**: The agency shall identify persons who are responsible for maintenance of the quality management system. They shall have access to top management and shall have appropriate authority to implement and maintain the requirements of these criteria.

5.1.4.2. **Job Descriptions**: The agency shall have job descriptions which include minimum qualifications, education and experience.

5.1.5. **Outsourced Services**: The agency shall have agreements for all outsourced services. The agency shall take full responsibility for all outsourced services, and shall assess and monitor the compliance of these services for compliance to requirements of these criteria.

5.1.6. **Public Information**: Public information about the program shall be available without request, which shall include the target audience; program or course descriptions that include program or course goals and objectives or learning outcomes; requirements for successful completion of programs or course(s); requirements for student registration/qualification; and requirements for renewal of certificates (if required).

5.1.7. **Confidentiality and Security**: The agency shall have a policy on confidentiality and security of student records, and shall maintain evidence of compliance by staff and vendors. The agency shall have a policy for protection of trademarks and copyrights (if applicable).

5.1.8. **Management System**: The agency shall have a management system which meets relevant requirements of ISO 9001. Records shall include the following:
5.1.8.1. **Internal Audits**: Internal audits shall be conducted at least annually. Records shall include an audit checklist and report of any findings of nonconformity.

5.1.8.2. **Management Reviews**: Management reviews shall be conducted at least annually. Records shall include an agenda and minutes, including a summary of action items.

5.1.8.3. **Human Resources**: The agency shall have a policy and procedure for recruiting, hiring, training, mentoring and monitoring the performance of staff. Records shall include records on training, qualification and monitoring of the performance of staff and instructors.

5.1.8.4. **Complaints**: The agency shall have a policy and procedure for investigation and resolution of complaints. Records shall include all complaints received by the agency, their investigation and resolution.

5.1.8.5. **Appeals**: The agency shall have a policy and procedure for appeals from students who do not successfully complete the training. Records shall include appeals received, their investigation and resolution.

5.1.8.6. **Service to the Customer**: The agency shall have a policy and procedure for monitoring the satisfaction of students and other impacted parties (e.g., their employers). The agency shall seek feedback, both positive and negative. The feedback shall be used and analyzed to improve the management system, training activities and customer service. Records shall include a summary of survey responses, and the agency’s conclusions based on evaluation of these data.

5.1.8.7. **Process Monitoring**: The agency shall have a policy and procedure for monitoring the processes and product quality.

5.1.8.8. **Document Control**: The agency shall have a policy and procedure for control of documents. Records shall include a list of controlled documents, evidence of review and approvals, issue and distribution controls.

5.1.8.9. **Control of Records**: The agency shall have a policy and procedure for control of records, including security, which shall include a registry of all students and related training records.

5.1.8.10. **Corrective Actions**: The agency shall have a policy and procedure for corrective actions, which shall include identification of root causes.

5.1.9. **Documents and Records Retention Period**: Documents and records shall be available for the previous two (2) years.

5.2. **Technical Standards**

5.2.1. **Technical and Administrative Oversight**: The agency shall appoint an oversight committee of experts which fairly represent all impacted parties. This committee shall
have responsibility for review and monitoring of the quality of services. This committee shall meet at least annually.

5.2.2. **Needs Analysis**: The agency shall conduct appropriate needs analysis for each of its training services, which shall reference appropriate market and job analysis research, which shall include consideration of critical incidents with life safety implications for workers and the public. This research shall be reviewed and updated on a regular basis.

5.2.3. **Program Planning**: The agency shall determine and document training schedules, participant qualifications and logistics, course logistics, and criteria for selection of instructors/facilitators. Planning shall identify minimum prerequisites for students, requirements for successful completion of training, and requirements for renewal of certificates (if applicable).

5.2.4. **Curricula**: The agency shall ensure that curricula comply with requirements of IAS AC372 or Section 6.2.5 of ASTM E2659. Curricula which are developed by an agency which is accredited to AC372 or ASTM E2659 shall be deemed acceptable.

5.2.5. **Applications**: The agency shall have a policy and procedure which ensures that applications are processed objectively and impartially, including evaluation of student eligibility for training.

5.2.6. **Instructor Qualifications**: The agency shall have a policy and procedure for training and qualification of instructors, and for assuring that instructors maintain their competencies through participation in appropriate professional development activities. Where applicable, instructor qualifications shall comply with recognized national standards for specific sectors.

5.2.7. **Delivery of Training**: The agency shall have a policy and procedure for delivery of training, including: pre-training formative student evaluations, revisions for individual student needs, expectations for student engagement in training, classroom management, control of the learning environment, program logistics and administration of hands-on (practical) training (if applicable).

5.2.8. **Assessment of Student Learning**: The agency shall assess student learning at appropriate intervals, which will include formative (during training) and/or summative (at the conclusion of training). The assessments shall be based on course learning objectives and shall assess acceptable competency for workforce qualification. Agencies which demonstrate compliance to relevant requirements of APA/AERA/NCME Standards will satisfy student assessment requirements of these criteria.
5.2.9. **Course Evaluations:** The agency shall have a policy and procedure for evaluation of student satisfaction and to evaluate the overall effectiveness of the training in achieving course goals. Evaluations shall consider feedback from students, instructors, and other relevant parties (e.g., employers of students).

5.2.10. **Award of Certificates:** The agency shall have a policy and procedure for award of certificates to students who successfully complete training. If certificates include an expiration date, the agency shall define in its public information all requirements for renewal. The agency shall not publicize or otherwise infer that any students are “certified.”

5.2.11. **Benchmarking:** The agency shall actively monitor related research and industry “best practices” relevant to training services for workforce qualification. Records shall be maintained, with a summary of any identified areas of weakness.

5.2.12. **Library Management:** The agency shall maintain a reference library related to development, management and administration of its services, and shall ensure that this library is accessible to appropriate staff and instructors.
