Dear Madam or Sir:

The proposed IAS Accreditation Criteria for Halal Certification Bodies, AC783, has been placed on the agenda for committee consideration at the above-noted meeting. The document is intended to be used for a new IAS program for the Accreditation of Halal Certification Bodies worldwide.

This is in response to the establishment of the International Halal Accreditation Forum (IHAF) by the Government of the United Arab Emirates (UAE). IAS has sought recognition and is currently an approved accreditation body member of IHAF. The primary objective of establishing the IHAF is to harmonize conformity assessment practices in the Halal field and establish Multilateral Recognition Agreements between member bodies that will facilitate Halal trade globally.

This new program operates on the technical requirements based on:

- ISO/IEC 17065, Conformity assessment — Requirements for bodies certifying products, processes and services
- IHAF/RD documents:2018 - Criteria for Halal Accreditation Body
- GSO 2055 series:2015 - HALAL FOOD

You are cordially invited to submit written comments, or to attend the committee hearing and present verbal comments. Written comments will be forwarded to the committee, **prior to the hearing**, if received by **August 28, 2019**. Please use the comment form link found on the Accreditation Committee meeting page on the IAS website, www.iasonline.org. Comments may be postal mailed to the address above, or emailed to iasinfo@iasonline.org.

Any written material submitted for committee consideration will be available for public distribution as set forth in Section 4.0 of the Rules of Procedure for Accreditation Committee Meetings (copy enclosed).

Visual aids (including, but not limited to, charts, slides, videos, or presentation software) for viewing at meetings will be permitted only if the presenter provides to IAS, before the presentation, a copy of the visual aid(s) in a medium that can be retained by IAS with its record of the meeting, and that can also be provided to interested parties.

Your cooperation is requested in forwarding to the **Brea** office, as noted above, all material directed to the committee. Prior to the hearing, parties interested in the deliberations of the committee should refrain from communicating, whether in writing or verbally, with committee members regarding agenda items. The committee reserves the right to refuse communications that do not comply with this request.

If you have any questions, please contact Mohan Sabaratnam, accreditation officer, at 562-364-8201, extension 3337, or the undersigned at 562-364-8201. You may also reach us by e-mail at iasinfo@iasonline.org.

Yours very truly,

Raj Nathan
