

CERTIFICATE OF ACCREDITATION

This is to attest that

THE KAISER-MARTIN GROUP, INC.

4700 NORTH 5TH STREET HIGHWAY
TEMPLE, PENNSYLVANIA 19560, U.S.A.

Inspection Practices of Metal Building Assembler MBA-103

has met the requirements of AC478, *IAS Accreditation Criteria for Inspection Practices of Metal Building Assemblers*, who are engaged in the assembly of metal buildings under DOT code 801-381-010. The organization has met the AC478 rules and criteria requirements of having a Quality Management System and verification that their documented processes and procedures are being followed at the job-site specific inspection to be compliant with OSHA Section 1976.750-761.

This certificate is valid up to April 1, 2026

Accredited Since July 1, 2025

International Accreditation Service
Issued under the authority of IAS management

This accreditation certificate supersedes any IAS accreditation certificate bearing an earlier date. The certificate becomes invalid upon suspension, cancellation or revocation of accreditation. See the IAS Accreditation directory on the web at www.iasonline.org for current accreditation information
